

## **HRCI/HRB Joint Funding Scheme 2025/26**

**Cystinosis Ireland is currently seeking Expressions of Interest to fund 1 project**

**Deadline: 12 noon Monday 11<sup>st</sup> August 2025**

**Funding up to €200,000**

**Duration of Funding: 24 to 36 months**

The 2025/26 HRB Joint Funding Scheme will be formally launched on 1<sup>st</sup> September 2025. More details can be found <https://www.hrb.ie/news-stories/funding-updates/grant-updates/>. Please scroll to HRB JFS and please note the call documents that are linked are old versions. Please wait for this year's versions to be added.

Earliest start date for projects within Ireland is 1<sup>st</sup> October 2026 and outside of Ireland late 2026/ January 2027. Tentative deadline for full submission to Cystinosis Ireland late October 2025 (to be confirmed).

Cystinosis Ireland participates in the HRB Joint Funding Scheme in which patient organisations, such as Cystinosis Ireland, and the HRB share the cost of funding high quality research activities of particular relevance to our community.

Funding is available to researchers worldwide.

Cystinosis Ireland is currently seeking expressions of interest from researchers worldwide.

If you are interested in applying, please submit the following information by email to: [research@cystinosis.ie](mailto:research@cystinosis.ie)

- Title of the proposed research project.
- Short description of the research proposed and the potential impact for patients living with cystinosis (please use plain English for a non-scientific audience).
- Please indicate if you already have preliminary data in your application.
- Brief details of proposed Public and Patient Involvement (PPI).
- Please state if you plan to have research collaborator(s) from Ireland or elsewhere.
- Names of one or two potential peer reviewers unconnected with the proposed research or researchers.
